Puppy Groom

We recommend starting your puppy's grooming journey at 12-weeks of age and/or once they are fully vaccinated. The very first grooming appointment is an introduction to the puppy and the owner to the world of grooming. Our puppy groom service is for dogs who are under 6 months of age.

Condition of Coat

Please be aware an additional cost of **\$20 per 20 minutes** will be required for extra brushing, clearing a heavily knotted/matted coat when possible or clipping of severely matted coat.

Brushing matted/knotted hair or even clipping out a heavily matted coat can take an huge amount of time even for an experienced groomer. It involves delicate and accurate work as the mats are usually very close to the skin.

Additional Costs

Extra Handling from \$10

Dogs that require muzzling or extra staff to help manage them will be charged at a higher standard grooming rate. This is because dogs showing aggression or acute nervousness take much longer to groom.

**We reserve the right to refuse any dog that presents a risk of injury to itself or staff*

Matting \$20 every 20 minutes

Matted Dogs will be charged extra depending on how long they take to complete.

Long Coat Management From \$10

If you choose to keep your dogs coat long a long coat management fee may apply as it takes much longer.
